The Honorable Mike Quigley
Ranking Member
Subcommittee on Transportation, Housing and Urban
Development, and Related Agencies
Washington, DC 20515

Chairman Cole and Ranking Member Quigley:

I request funding for Lake Charles Regional Airport Terminal Loop and Access Road Improvements in the fiscal year 2024. The entity to receive funding for this project is Lake Charles Regional Airport, located at 500 Airport Blvd., Lake Charles, LA 70607. The funding would be used to update the circulation patterns of vehicular traffic for the terminal, general aviation, and rotorcraft areas of the airport. The intent of the project is to minimize traffic conflicts in front of the passenger terminal, thereby separating Terminal traffic from visitors to other parts of the Airport. The project is an appropriate use of taxpayer funds because it will provide much-needed safety improvements to the existing airport infrastructure by improving traffic flow.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, nor does anyone in my immediate family.

Respectfully,

Member of Congress
